

It's time to wear your thinking cap and put your creativity to test. Here you have a chance to showcase your skills. IETE Students' Forum gets you the opportunity you have long waited.

## ABOUT

Graffiti is a graphic designing event where participants have to design a poster on the topic "Science, Space and Time". It has only one round.

## ROUNDS OF EVENT

Graffiti is a single round event.

## GENERAL RULES

- Students can participate individually.
- Participants will be required to design a poster on the theme "Science, Space and Time".
- The decision made by the panel will be final and will not be changed under any circumstances.
- The poster should be submitted via DM on IETE's instagram handle, @ietebits.
- Participants poster will be posted in our social media handles.

## JUDGING CRITERIA

- Since the crafting is not specified to any particular medium, judging will not be centralised to the medium rather it'll be based on creativity and more important how the poster demonstrates the thought and appeals the audience.
- Out of 100, 50% is the marks given by judges, 30% is the number of shares and 20% is the number of likes.
- The decision made by the judging panel will be binding to all.

## COPYRIGHT

Fair use guidelines should be followed with clear, easy locate, and accurate citations for all borrowed material. No material should be there from websites that state that permission is required unless permission has been obtained.

## CERTIFICATION AND PRIZING CRITERIA

Best performers will be handsomely rewarded. Certificate of participation will be given to every participant.

All the latest updates and information will be available on the website.
